PRODUCT DESCRIPTION

BEACH VOLLEYBALL TRAINING FACILITY

The beach volleyball training facility is made of aluminum and is **TÜV approved**. The facility is manufactured as a combination construction and can be used not only for volleyball but also for badminton and tennis. The posts are available both in natural aluminum and in yellow (powder-coated).

High quality beach volleyball facility from the manufacturer

The beach volleyball facility is made of high quality aluminum profiles (80 x 80 mm). The **tensioning and adjustment mechanism** is hidden on the post. The height adjustment is done manually. Of course, we also have the matching beach volleyball nets in our assortment! Also, please feel free to inform yourself about our outdoor volleyball posts.
