

ALUMINUM BEACH HANDBALL GOAL

SKU: 31075

- With net hoops
- Goal frame fully welded
- Milled net suspension
- Color: natural aluminum

PRODUCT DESCRIPTION

FULLY WELDED BEACH HANDBALL GOAL MADE OF ALUMINUM

The **beach handball goal** made of aluminum in the **size of 3 x 2 m** comes in the color Alu nature. It is made of a square aluminum profile with dimensions 80 x 80 x 3 mm. The goal frame is completely welded in one piece. Additional welded corner connectors also ensure an **extraordinarily high stability**. The net hoops are also made of a 3 mm thick round tube with a diameter of 30 mm. The upper goal projection is 0.80 m.

The net is attached to the frame of the beach handball goal via the **milled-in, double-sided deburred net suspension**, which guarantees an exact and net-friendly hold of the beach handball goal nets for **safe play**.

Note: Goal net not included.

High quality beach handball goal from manufacturer

The beach handball goal has extended posts so that it can be fixed in ground sockets (not included). The beach handball goal is **manufactured in Germany** in the highest quality and
