

ALUMINUM COMBINATION BEACH VOLLEYBALL FACILITY

SKU: 33533-B

- Made of aluminum
- Steplessly adjustable
- TÜV-tested
- DVV 1 test mark
- Natural aluminum or yellow

PRODUCT DESCRIPTION

ALUMINUM BEACH VOLLEYBALL EQUIPMENT FOR COMPETITIONS

The **beach volleyball equipment made of aluminum** is suitable for competition, is TÜV-tested and has a **DVV 1 test mark**. The facility is manufactured as a combination construction and can therefore be used not only for beach volleyball but also for badminton and tennis. The posts are available both in natural aluminum and in yellow (powder-coated).

High quality beach volleyball equipment from the manufacturer

The beach volleyball competition facility is made of high quality aluminum profiles (100 x 120 mm), which have a wall thickness increasing from 4 to 6 mm. The **tensioning and adjusting mechanism** is located inside the posts. The net can be **adjusted steplessly** via a crank.

Of course, we also have the matching beach volleyball nets in our assortment! Also,

please feel free to inform yourself about our outdoor volleyball posts.
