SKU: 22020-10

- 6.0 m height
- Posts made of aluminum
- Net made of polypropylene
- With pull up device
- With sandbags

PRODUCT DESCRIPTION

ALUMINUM DISCUS THROWING GUARD, HEIGHT: 6.0 M

The aluminum **discus throwing guard** has a height of 6.0 m and is **mounted in ground sockets** (not included). It is certified by World Athletics and therefore suitable for national and international competitions. The posts of the guardrail are made of high quality aluminum profiles (100 x 120 mm). It can be assembled without ladders (from below).

The throwing protection guard is delivered **including 7 sandbags** made of waterproof PVC fabric and with a **ball catching net**. The net has the following characteristics:

- Made of 5 mm thick polypropylene
- 45 x 45 mm mesh size
- Color: Green
- With test meshes, fixing thimbles and pull-up ropes

In addition to the protective net, you will need 7 ground sockets. In addition, you can also

purchase 7 aluminum spacers (item no. 22016) for lower net mounting.
