PRODUCT DESCRIPTION

ALUMINUM HIGH JUMP STAND (PAIR)

The aluminum **high jump stand** is adjustable up to a height of 2.5 meters. It is certified by World Athletics and therefore suitable for national and international competitions. In addition, the robust high jump stand has the following features:

- Slat support with fine height adjustment
- Embedded scratch-resistant measurement scale in the profile
- Including spirit level
- T-foot with steel inlay and leveling screws

In addition to the high-quality high jump stand, we have high jump landing areas (with support platform, rain covers or visibility covers) in our program. So at artec® you get the complete equipment for a high jump facility!
