

# ALUMINUM SINGLE POLE STREETBALL POST

**SKU:** 38870

• 1.65 m projection

• Profile: 300 x 120 mm

TÜV tested

· Without basket and backboard

#### PRODUCT DESCRIPTION

### HIGH QUALITY ALUMINUM SINGLE POLE STREETBALL POST

The **single-pole streetball stand** made of aluminum is extremely robustly manufactured and is ideally suited for outdoor use. The basketball stand consists of aluminum profiles with the dimensions  $300 \times 120$  mm and a strong wall thickness of 8 mm. The **projection is 1.65 m**. In addition, the single pole streetball stand is TÜV approved, which ensures the safety of athletes.

**Important note:** According to DIN EN 1270, basketball stands with a projection of less than 2.25 m must be equipped with a <u>protective pad</u>.

# Highest quality basketball stands and more

In addition to high-quality streetball and basketball stands, we also have the matching backboards, basketball hoops as well as basketball nets in our program. We will also be happy to provide you with further information about our various designs of outdoor basketball facilities.
