

ALUMINIUM TRAINING GOAL

SKU: 30012

- 7.32 x 2.44 m
- Projection 2.0 m
- Milled net suspension
- Color: natural aluminum
- Optionally with ARENA net protection

PRODUCT DESCRIPTION

ALUMINUM TRAINING GOAL FOR TRAINING

The fully welded training goal made of aluminum has a dimension of **7.32 x 2.44 m** and a lower projection of 2.00 m. Due to the net hoops there is an upper projection of 0.80 m. It also has a device for ground anchoring, so that the training goal can be secured from tipping over.

Both the ground frame and the goal frame are made of an **oval aluminum profile** 100 x 120 mm. This has a wall thickness of 2.5 mm. The net hoops are also made of 60 x 3.5 mm profiles. The goal comes in **natural aluminum color**.

Training goal made of aluminum with milled net hanger

The **milled net suspension** is deburred twice, so that the goal net can be fixed in the training goal made of aluminum very **safely and without damaging the net**. It is further mounted to the ground frame by means of a rod system (not included in delivery).

Therefore, the training goal already has welded-on eyelets for net attachment.

TÜV-tested, the aluminum training goal complies with the applicable safety regulations of FIFA and DFB. It is manufactured according to DIN 748.

Important note: The aluminum training goal must be secured against tipping!

The goal net and the rod system for net attachment to the ground frame must be purchased additionally.

The aluminium training goal can be optionally equipped with our ARENA net protection. The ARENA net protection is used to close the net groove precisely and to protect the goal net against theft. It is fixed in place with a screw lock.

Quality from the manufacturer

At artec® Sportgeräte you get everything your soccer heart desires. As a manufacturer we attach great importance to the extraordinary quality and durability of our soccer goals and sports equipment. artec® offers you a variety of different goals: Whether training goals made of aluminum, competition goals, youth soccer goals, recreational goals, or even mini goals.
