

BASKETBALL SYSTEM FOR WALL MOUNTING

SKU: 38930

- 1.65 m projection
- Made of aluminum
- With backboard, hoop and net

PRODUCT DESCRIPTION

HIGH QUALITY BASKETBALL SYSTEM FOR WALL MOUNTING

The **basketball system** for wall mounting has a **projection of 1.65 m**. The basketball frame is made of aluminum and welded in one piece, which makes it extremely stable and durable. The backboard is made of weather-resistant coplast and measures 1.20 x 0.90m. The basketball system is also equipped with a **basketball hoop made of galvanized steel**, powder-coated in the color orange. The chain net is also galvanized.

Basketball systems and sports equipment from the manufacturer

In addition to basketball systems for mounting on the wall, we also have single-mast basketball systems and two-mast basketball systems in our assortment. Get also an overview of our different designs of outdoor basketball equipment!
