PRODUCT DESCRIPTION

FULLY WELDED BEACH HANDBALL GOAL IN YELLOW

The **beach handball goal** in yellow in the **size of 3 x 2 m** is made of a square aluminum profile with the dimensions 80 x 80 x 3 mm. The goal frame is completely welded in one piece. Additional welded corner connectors also provide an **extraordinarily high stability**. The net hoops are also made of a 3 mm thick round tube with a diameter of 30 mm. The upper goal projection is 0.80 m.

The net is mounted to the frame of the beach handball goal via the **milled-in net suspension, which is deburred on both sides** and guarantees an exact and net-friendly hold of the beach handball goal nets for **safe game operation**.

Note: Goal net not included.

High quality beach handball goal from manufacturer

The beach handball goal has extended posts so that it can be fixed in ground sockets (not

included). The beach handball goal is **manufactured in Germany** in the highest quality and offers a **very high stability** and durability due to the robust construction. **TÜV-tested**, this goal meets the currently valid requirements as well as the applicable safety regulations.
