PRODUCT DESCRIPTION

BEACH VOLLEYBALL TRAINING FACILITY

The beach volleyball training facility is made of aluminum and is **TÜV approved**. The facility is manufactured as a combination construction and can be used not only for volleyball but also for badminton and tennis. The posts are available both in natural aluminum and in yellow (powder-coated).

High quality beach volleyball facility from the manufacturer

The beach volleyball facility is made of high quality aluminum profiles (80 x 80 mm). The **tensioning and adjustment mechanism** is hidden on the post. The height adjustment is done manually. Of course, we also have the matching [beach volleyball nets](#) in our assortment! Also, please feel free to inform yourself about our [outdoor volleyball posts](#).
