PRODUCT DESCRIPTION

FREE STANDING DISCUS CAGE, HEIGHT: 6.0 M

The **free standing discus cage** has a height of 6.0 m. The grating is stable due to a circumferential ground frame, which has receiving sockets for the posts. The posts of the cage are made of high quality aluminum profiles (100 x 120 mm). The construction can be done without ladders (from below).

The discus cage is delivered **including 7 sandbags** made of waterproof PVC fabric, as well as with a **ball catching net**. The net has the following characteristics:

- Made of polypropylene (5 mm)
- 45 x 45 mm mesh size
- Color: Green
- With test meshes, fixing thimbles and pull up ropes

Buy free standing discus cage directly from the manufacturer! In addition to the cage, you will need 7 ground sockets. In addition, you can purchase 7 distance holders made of

aluminum (item no. 22016) for the lower net mounting.
