

## FULLY WELDED ALUMINUM YOUTH GOAL -EASYTEC-

SKU: 30053-E

- 5 x 2 m
- Color: natural aluminum
- Safety net hooks
- Projection 2.00 m

### PRODUCT DESCRIPTION

#### YOUTH GOAL 5 X 2 M ALUMINUM

**High quality, fully welded aluminum youth goal** directly from the manufacturer! The fully welded aluminum youth goal -easytec- has a **dimension of 5 x 2 m**. It is characterized by the **high quality** and the associated long durability. The stability of the goal construction is achieved by the fact that the goal is fully welded and has welded corner connectors for additional stabilization. The goal frame as well as the ground frame are made of an oval profile of aluminum (100 x 120 mm).

**Note:** Goal net not included.

#### Fully welded aluminum youth goal with 2.00 m projection

The youth goal is mobile and therefore not anchored to the ground. Therefore, it is essential to **secure it from tipping over**. For this purpose, the youth goal has a device for ground anchoring (e.g. for ground nails/spirals). In addition, the goal is equipped with net hoops made of round tubing (60 x 3.5 mm), resulting in an upper projection of 0.80 m and

a lower projection of 2.00 m. **Side-mounted carrying handles** further ensure good handling of the fully welded aluminum youth goal.

The youth goal is manufactured in Germany according to DIN 748 and thus complies with **FIFA and DFB (German Football Association) requirements**. The goal is also certified by TÜV (TÜV - German Association for Technical Inspection).

In the easytec version, the fully welded youth goal has very flat plastic **safety net hooks** that protrude only slightly from the goal frame profile. With the help of these hooks, the goal net can be quickly and easily attached to the youth goal. For the **net mounting on the ground frame**, a rod system (not included) is also required. For this purpose, the goal is already equipped with eyelets that are welded to the ground frame.

### **Youth goals directly from the manufacturer**

Buy fully welded aluminum youth goals directly from the manufacturer! At artec® you are guaranteed to find the right goal: Whether fully welded aluminum youth goal, large field goals, training goals, recreational goals or even mini goals - there is something for everyone!
