PRODUCT DESCRIPTION

FULLY WELDED MINI GOAL 1.20 X 0.80 M WITH NET HOOKS

Fully welded mini goal with an excellent price-performance ratio! This mini soccer goal in the size 1.20 x 0.80 m is made of thick-walled aluminum profiles, is **fully welded** and therefore has an **excellent quality**. The goal frame profile used is a square profile with dimensions of 80 x 80 mm, while the ground frame is made of a 50 x 50 mm profile. The projection of the mini soccer goal is still 0.50 m. The mini goal has an **open back frame**. The net is fixed by very flat designed plastic safety net hooks.

Note: Goal net not included.

Important note: If the mini goals should remain mobile, our [weights with wheels](#) are suitable to prevent them from tipping over. The gates are permanently anchored in the ground using [earth anchor ground sleeves](#).

High quality mini goal

Fully welded mini goal 1.20 x 0.80 m of the easytec class! This goal is manufactured in the highest quality exclusively in Germany and offers exceptional stability and durability due to its robust construction. **TÜV-tested** (TÜV - German Association for Technical Inspection), this goal complies with the currently valid FIFA and DFB (German Football Association) requirements as well as the applicable safety regulations.

Mini goals and more directly from the manufacturer

In addition to mini goals in various sizes, we have other goals in our program: Whether soccer goals, training goals, youth goals or recreational goals - there is a suitable goal for everyone! Please feel free to inform yourself further about our different goals.

Great fun for the garden and at events

This **high-quality mini goal** also offers great possibilities for use outside of professional application and training purposes. For example, it is always popular in gardens where children use the goal for fun. As a fully welded mini goal, the product offers a very long durability, ensuring a long service life.

This mini goal is also very popular for events. For example, it is used in mobile soccer courts or in conjunction with a mobile goal wall at various events. The easy transport, the quick assembly and disassembly as well as the light weight make this product a top seller of artec® Sportgeräte!
