## PRODUCT DESCRIPTION

### GOAL NET FOR COMPETITION GOALS, PROJECTION: 200/200 CM

The **goal net for competition goals** is made of 4 mm thick polypropylene, is very durable and therefore ideal for everyday soccer. The net is monochromatic and is available in different colors. It is suitable for soccer goals in size 7.32 x 2.44 m and with projection 200/200 cm.

For soccer goals, in addition to goal nets in one color, we also have **two-color nets** in our assortment. To strengthen the identification with the club, the soccer goal nets can also be purchased in club colors or with club logo. Of course, the goal nets are available for different projections, so you can get **the right net for your soccer goal!**

### Knotless and high strength net for competition goals

The robust nets for competition goals are manufactured knotless from **high-strength polypropylene** and provide groundkeepers and players with long-lasting enjoyment of the game. We are also happy to offer goal nets with **chain weights**. For our goal nets we also

have "**hercules nets**" in our program, which are vandalism-proof and are therefore mainly used on public grounds. We have many **years of experience** in professional sports and will be happy to advise you individually. You can also find an overview of our goal nets in the following article: Goal net for goals of all kinds!
