

HEIGHT ADJUSTABLE BASKETBALL POST

SKU: 37560

- Single mast stand
- Made of aluminum
- Fully welded
- Without projection
- Without basket and backboard

PRODUCT DESCRIPTION

HEIGHT ADJUSTABLE BASKETBALL POST MADE OF ALUMINUM

The height adjustable **basketball stand without projection** is made of oval aluminum profiles with a dimension of 100 x 120 mm. The height is adjustable between 2.60 m and 3.05 m. In addition, the **adjustable single mast basketball stand** is fully welded for maximum stability and durability. The basketball stand is further tested by TÜV, ensuring the safety of athletes.

Important note: According to DIN EN 1270, basketball stands with a projection of less than 2.25 m must be equipped with a protective pad.

Basketball stand and sports equipment from the manufacturer

Height adjustable basketball stand of the highest quality! In addition to basketball and streetball stands, we also have the matching backboards, basketball hoops as well as basketball nets in our assortment. We are also happy to inform you about our various
