

HEIGHT ADJUSTABLE BASKETBALL POST

SKU: 37560

- · Single mast stand
- Made of aluminum
- · Fully welded
- Without projection
- · Without basket and backboard

PRODUCT DESCRIPTION

HEIGHT ADJUSTABLE BASKETBALL POST MADE OF ALUMINUM

The height adjustable **basketball stand without projection** is made of oval aluminum profiles with a dimension of 100×120 mm. The height is adjustable between 2.60 m and 3.05 m. In addition, the **adjustable single mast basketball stand** is fully welded for maximum stability and durability. The basketball stand is further tested by TÜV, ensuring the safety of athletes.

Important note: According to DIN EN 1270, basketball stands with a projection of less than 2.25 m must be equipped with a <u>protective pad</u>.
