PRODUCT DESCRIPTION

MINI GOAL WITH ALUMINUM STRUTS, FULLY WELDED

The **mini goal with aluminum struts in the back frame** has a size of 2.40 x 1.60 m and is made of thick-walled profiles. The goal and ground frames are each made of square aluminum profiles. Moreover, the goal comes in natural aluminum color.

Resistant mini goal

The mini goal is fully welded and has multiple reinforcements. This goal is manufactured in the highest quality exclusively in Germany and offers **exceptional stability and durability** due to its robust construction. The closed back construction with very robust aluminum profiles guarantees an extreme longevity. **TÜV-tested** (TÜV - German Association for Technical Inspection), this goal complies with the currently valid FIFA and DFB (German Football Association) requirements as well as the applicable safety regulations.

Mini goal with aluminum struts 2.40 x 1.60 m of the premium class, highest quality at a reasonable price, made in Germany! Mini goals directly from the manufacturer are available from us!

Important note: Mobile goals must be secured against tipping! If the mini goals should remain mobile, our [weights with wheels](#) are suitable to prevent them from tipping over. The gates are permanently anchored in the ground using [earth anchor ground sleeves](#).

Mini goals and more directly from the manufacturer

In addition to mini goals with aluminum struts or goal net, we have other goals in our program: Whether soccer goals, training goals, youth goals 5 x 2 m or recreational goals - there is a suitable goal for everyone! Please feel free to get more information about our different goals.
