PRODUCT DESCRIPTION

MINI SOCCER GOAL 3.00 X 1.60 M WITH SQUARE PROFILE

The **mini soccer goal** in the **size 3.00 x 1.60 m** is made of thick-walled aluminum profiles, is **fully welded** and therefore has an **extraordinary stability**. The goal frame profile used is a square profile measuring 80 x 80 mm, while the ground frame is made of a 50 x 50 mm profile. The projection of the mini goal is 1.00 m.

The mini goal comes with an open back frame and thus requires a suitable goal net. It is mounted using the high-quality, milled premium net suspension. For a particularly safe and gentle installation of the goal net, it is deburred on both sides and has **no sharp edges**.

Note: Goal net not included.

High quality mini goal from the manufacturer

This mini soccer goal with square aluminum profile is **manufactured in the highest quality** and offers exceptional stability and **durability** due to its robust construction. **TÜV-tested**, this mini-goal also complies with the currently valid FIFA and DFB requirements as well as the applicable safety regulations.

Important note: Mobile goals must be secured against tipping! If the mini goals should remain mobile, our [weights with wheels](#) are suitable to prevent them from tipping over. The gates are permanently anchored in the ground using [earth anchor ground sleeves](#).

Mini goals and more from artec®

In addition to the mini goal 3.00 x 1.60 m with square goal frame profile, we have other goals in our program: Whether soccer goals, training goals, youth soccer goals or recreational goals - there is a suitable goal for everyone! Please feel free to inform yourself further about our different goals.
