- All-round, high-quality aluminum profiles for the supporting structure
- Height: approx. 1.00 m; element length: 2.50 m
- No stands or other fixtures in the playing field area, minimizing the risk of injury
- Counterweight included in the ground frame of the playing field board
- The boards are ideal for barrier advertising

Recreational goals

- 2 recreational goals (dimensions 3 x 2 m), made of 80 x 80 mm square profile with open back and side entrance

Many additional equipment possible

The mobile barrier system can be combined with various additional equipment:

- Playing field barrier with transparent elements
- Possibility of barrier advertising for your sponsors
- Ball stop nets (side boards, front boards and above the soccer court)
- Multifunctional posts (volleyball, badminton, fistball and tennis)
- Noise reduction through insulation panels and fittings
- Different types of recreational goals (e.g. with closed back)

Note: The soccer court is delivered without assembly!
