

POLE VAULT LANDING AREA SILVER

SKU: 21213-S

- Double hollow chamber system
- Spike protection
- Underground noise resistant

PRODUCT DESCRIPTION

POLE VAULT LANDING AREA SILVER FROM ARTEC®

The pole vault landing area SILVER is characterized by the following features:

- Depending on the size, the landing area can be used for different jump heights (7 x 5 m: up to 4 m jump height; 8 x 6 m: up to 6.25 m jump height)
- Spike protection with movable grid mesh
- Wear mat made of solid PUR foam RG 20
- **Double hollow chamber system** RG 23
- Mat cover with carabiner quick release fastener
- Incorporated air softening strip
- **Non-slip underlay**
- Certified by **World Athletics** in size 8 x 6 m

To protect the mat from wind and weather, we recommend a [support platform](#) made of aluminum or wood, a [rain cover](#) and a [safety cover](#). We also offer an overview of our mats for athletics in various designs.
