PRODUCT DESCRIPTION

RECREATIONAL GOAL 5 X 2 M WITH CLOSED BACK FRAME

The **high quality recreational goal** is made of aluminum and has a **size of 5 x 2 m**. Made of thick-walled oval profiles and reinforced several times, this ensures an exceptionally stable goal with long durability. The closed back frame is also made of sturdy aluminum struts.

Robust soccer goal

The premium class recreational goal is **fully welded** and reinforced several times. This goal is manufactured in Germany and offers **outstanding quality** due to its robust construction. The closed back wall with robust and high-quality aluminum profiles guarantees extreme durability. **TÜV-tested** (TÜV - German Association for Technical Inspection), this goal complies with the currently valid FIFA and DFB (German Football Association) requirements as well as the applicable safety regulations.

Premium class recreational goal 5 x 2 m in oval profile, highest quality at a reasonable
