PRODUCT DESCRIPTION

RECREATIONAL GOAL VANDALO MEGA LIGHT WITH HERCULES NET

The recreational goal VANDALO mega light is perfectly suited to be used on public grounds! The goal has a **size of 3 x 2 m**, is made of aluminum and is fully welded. This gives it exceptional stability and durability. The goal frame is made of 80 x 80 mm square profile, while the ground frame is made of rectangular profile with dimensions 80 x 60 mm. The goal with hercules net offers **protection against vandalism**.

Vandalism-proof goal net

The goal net of the VANDALO mega goal in the "light version" is made of **7 mm thick hercules rope** with steel inlays and special crossing point element connectros that give the net additional stability. The net takes the color black and has a mesh size of 195 x 60 mm. It is securely fastened to the goal, **making unauthorized removal impossible**. The VANDALO mega goal offers even greater protection against vandalism with its 16 mm thick herules rope.
