

## RECREATIONAL GOAL WITH ALUMINUM STRUTS, SAND-FILLED

SKU: 30102

- 5 x 2 m
- Oval profile
- Made of aluminum
- Fully welded
- Color: natural aluminum

### PRODUCT DESCRIPTION

#### RECREATIONAL GOAL WITH ALUMINUM STRUTS AND SAND FILLING

The **recreational goal in the size 5 x 2 m** has a closed back frame and is equipped with robust aluminum struts with integrated sand filling. The sand filling enables **very good noise reduction** when the ball hits the goal. Furthermore, the goal frame of the soccer goal consists of an oval 100 x 120 mm profile, which has a high wall thickness and is processed in a high-quality manner. This creates an extraordinarily stable and durable soccer goal for sports grounds, playgrounds and soccer fields.

#### Durable recreational goal

The premium class recreational goal is **fully welded** and reinforced several times. This goal is manufactured exclusively in Germany and offers outstanding quality due to its robust construction. **TÜV-tested** (TÜV - German Association for Technical Inspection), this goal meets the currently valid FIFA and DFB (German Football Association) requirements

as well as the applicable safety regulations.

**Recreational goal with aluminum struts** of the premium class, highest quality at a reasonable price, made in Germany! With personal customer service, fast and reliable delivery directly from the manufacturer, TOP service! Recreational goals directly from the manufacturer are available from us!

**Important note:** Mobile goals must be secured against tipping!

### **Recreational goals and more directly from the manufacturer**

In addition to the recreational goal with aluminum struts or open back, we have other goals in our program: Whether soccer goals, training goals, youth goals or mini goals - there is a suitable goal for everyone! We would be happy to provide you with more information about the technical details of our goals for the soccer field.
