PRODUCT DESCRIPTION

RECREATIONAL GOAL WITH ALUMINUM STRUTS AND SAND FILLING FROM THE MANUFACTURER

The **recreational goal made of aluminum** in the size of 3 x 2 m has a closed back frame, which consists of robust aluminum struts with integrated **sand filling for noise reduction**. The goal frame is further made of a square 80 x 80 mm profile.

Recreational goal of the highest quality

The premium class recreational goal with aluminum struts is **fully welded** and reinforced several times. This goal is manufactured in the highest quality exclusively in Germany and offers **exceptional stability and durability** due to its robust construction. The closed back wall with robust and high-quality aluminum profiles guarantees extreme durability and offers very good noise reduction due to the sand filling. **TÜV-tested** (TÜV - German

Association for Technical Inspection), this goal complies with the currently valid FIFA and DFB (German Football Association) requirements as well as the applicable safety regulations.

High-quality goal with aluminum struts and sand filling of the premium class, highest quality at a reasonable price, made in Germany! With personal customer service, fast and reliable delivery directly from the manufacturer, TOP service! Recreational goals directly from the manufacturer are available from us!

Important note: Mobile goals must be secured against tipping!

Recreational goals and sports equipment from the manufacturer

Besides the recreational goal with aluminum struts and sand filling, we have other goals in our assortment: Whether soccer goals, training goals, youth soccer goals or mini soccer goals - there is a suitable goal for everyone! We would also be happy to provide you with further information about the technical details of our goals for the soccer field.
