PRODUCT DESCRIPTION

RECREATIONAL GOAL WITH CLOSED BACK MADE OF ALUMINUM

This **high quality recreational goal** is made of aluminum and has a **size of 5 x 2 meters**. Made of thick-walled, square 80 x 80 mm profiles and reinforced several times, this ensures an exceptionally stable goal with long durability. The closed back frame is also made of sturdy aluminum struts.

Durable recreational goal

Fully welded recreational goal of the premium class! This goal is manufactured in the highest quality exclusively in Germany and offers **exceptional stability and durability** due to its robust construction. The closed back wall with robust and high-quality aluminum profiles guarantees extreme durability. **TÜV-tested** (TÜV - German Association for Technical Inspection), this goal meets the currently valid FIFA and DFB (German Football Association) requirements as well as the applicable safety regulations.
