PRODUCT DESCRIPTION

RECREATIONAL GOAL WITH GOAL WALL, SAND-FILLED AND FULLY WELDED

The **recreational goal with goal wall** is made of thick-walled aluminum profiles (80 x 80 mm), fully welded and also reinforced several times. This ensures extraordinary stability. In addition, the aluminum struts of the back frame are equipped with a sand filling, which provides **very good noise reduction** at the impact of the ball.

High quality recreational goal of the premium class

Premium class recreational goal is **sand-filled and fully welded** with multiple reinforcements. This goal is manufactured in the **highest quality** exclusively in Germany and offers **exceptional stability and durability** due to its robust construction. The closed back frame with robust and high-quality aluminum profiles guarantees extreme durability and offers very good noise reduction due to the sand filling. In addition, the goal wall offers enormous fun. **TÜV-tested** (TÜV - German Association for Technical Inspection),

this goal complies with the currently valid FIFA and DFB (German Football Association) requirements as well as the applicable safety regulations.

Premium class recreational goal with goal wall, highest quality at a reasonable price! With personal customer service, fast and reliable delivery directly from the manufacturer, TOP service! Recreational goals directly from the manufacturer are available from us!

Important note: Mobile goals must be secured against tipping!

Recreational goals and sports equipment from the manufacturer
