PRODUCT DESCRIPTION

RECREATIONAL GOAL WITH HERCULES NET AND BASKETBALL ATTACHMENT, FULLY WELDED

The robust soccer goal has a **size of 3 x 2 m** and is made of aluminum. It is made of oval profiles (100 x 120 mm) with high wall thickness. Fully welded and reinforced several times, this goal is therefore extremely stable and durable. The goal is equipped with a **hercules net** and a **basketball attachment** for multifunctional use of the goal.

High quality goal

The goal is made exclusively in Germany and offers very **high quality and durability** due to its robust construction. The hercules net protects against vandalism and guarantees extreme durability. The basketball attachment is characterized by the highest stability and high-quality components. **TÜV-tested** (TÜV - German Association for Technical Inspection), this goal meets the currently valid FIFA and DFB (German Football

Association) requirements as well as the applicable safety regulations.

Recreational goal with hercules net and basketball attachment, highest quality at a reasonable price, made in Germany! Recreational goals directly from the manufacturer are available from us!
