

RETRACTABLE BASKETBALL SYSTEM

SKU: 38935-5

- 2.25 m projection
- Made of aluminum
- Wall construction
- With target board, hoop and chain net

PRODUCT DESCRIPTION

RETRACTABLE BASKETBALL SYSTEM MADE OF ALUMINUM

The retractable **basketball system** is mounted on the wall and can be folded to the side. It is made of aluminum and has a **projection of 2.25 meters**. The basketball frame is welded in one piece, which makes it extremely stable and durable. The backboard is made of weather-resistant coplast and has a size of 1.20 x 0.90m. Retractable basketball system is also equipped with a **steel basketball hoop**, which is galvanized and also powder coated in orange color. The robust chain net is also made of galvanized steel.

Basketball systems and sports equipment from the manufacturer

In addition to basketball systems for wall mounting, we also have single-mast basketball systems and two-mast basketball systems in our range. Get also an overview of our different designs of outdoor basketball equipment!
