PRODUCT DESCRIPTION

MINI GOAL WITH CLOSED BACK FRAME, FULLY WELDED

The mini goal with closed back frame has a size of **1.80 x 1.20 m** and is manufactured in Germany in the **highest quality**. The frame of the goal is made of a square profile 80 x 80 mm, while the ground frame is made of a 50 x 50 mm profile. Furthermore, the goal comes in natural aluminum color.

Mini goal for big fun

The premium class mini goal is **fully welded** and reinforced several times. This goal offers **exceptional stability and durability** due to its robust construction. The closed back construction with very robust aluminum profiles guarantees extreme durability. **TÜV-tested** (TÜV - German Association for Technical Inspection), this goal complies with the currently valid FIFA and DFB (German Football Association) requirements as well as the applicable safety regulations.

Robust mini goal with closed back of the premium class (1.80 x 1.20 m), highest quality at a favorable price! Personal customer service, fast and reliable delivery, excellent service! Mini goals directly from the manufacturer are available from us!

Important note: Mobile goals must be secured against tipping! If the mini goals should remain mobile, our [weights with wheels](#) are suitable to prevent them from tipping over. These are already integrated into the [Mini goal PROTECTOR](#). The gates are permanently anchored in the ground using [earth anchor ground sleeves](#).

Mini goals and sports equipment in best quality

In addition to high-quality mini goals with closed or open backs, we have other goals in our program: Whether large field goals, soccer training goals, youth goals or recreational goals - there is a suitable goal for every purpose! Please feel free to inform yourself further about our different goals.
