

SAND-FILLED RECREATIONAL GOAL WITH GOAL WALL

SKU: 30082-1

- 3 x 2 m
- Color: natural aluminum
- Fully welded
- Closed back frame
- Square profile

PRODUCT DESCRIPTION

SAND-FILLED RECREATIONAL GOAL WITH GOAL WALL MADE OF ALUMINUM

The **recreational goal with integrated goal wall** is made of thick-walled aluminum profiles (80 x 80 mm profile), is fully welded and reinforced several times. This ensures a very high stability. In addition, the aluminum struts of the closed back frame are filled with sand, which provides **very good noise reduction** at the impact of the ball.

Premium class goal from the manufacturer

The **recreational goal in size 3 x 2 m** is fully welded and reinforced several times. This goal is manufactured in the highest quality exclusively in Germany and offers **exceptional stability and durability** due to its robust construction. The closed back wall with robust and high-quality aluminum profiles guarantees extreme durability and offers very good noise reduction due to the sand filling. In addition, the goal wall offers enormous fun. **TÜV-tested** (TÜV - German Association for Technical Inspection), this goal complies with

the currently valid FIFA and DFB (German Football Association) requirements as well as the applicable safety regulations.

Sand-filled recreational goal with goal wall in square profile, made in Germany! With personal customer service, fast and reliable delivery directly from the manufacturer, TOP service! Recreational goals directly from the manufacturer are available from us!

Important note: Mobile goals must be secured against tipping!

Recreational goals in best quality

In addition to the sand-filled recreational goal with goal wall, we have other goals in our program: Whether soccer goals, training goals, youth goals or mini goals - there is a suitable goal for everyone! We would be happy to provide you with further information about the technical details of our goals for the soccer field.
