### PRODUCT DESCRIPTION

#### SINGLE-POLE STREETBALL STAND VANDALO

The **single-pole streetball stand** is made of steel profiles with a diameter of 140 mm and a wall thickness of 5 mm. In this version, the VANDALO basketball stand for outdoor facilities has a **projection of 1.25 m**. In addition, the streetball stand is **TÜV-tested**, which ensures the safety of the athletes.

**Important note:** According to DIN EN 1270, basketball stands with a projection of less than 2.25 m must be equipped with a [protective pad](#).

#### Basketball stands of the highest quality

In addition to high-quality streetball and basketball stands, you will also find the matching [backboards](#), [basketball hoops](#) as well as [basketball nets](#). We will also be happy to provide you with further information about our various designs of [outdoor basketball facilities](#).
