

STURDY YOUTH GOAL MADE OF ALUMINUM

SKU: 30057

- 5 x 2 m
- Projection 2.00 m
- Fully welded
- Milled net suspension
- Optionally with ARENA net protection

PRODUCT DESCRIPTION

VERY STURDY YOUTH GOAL MADE OF ALUMINUM

The sturdy **youth goal made of aluminum** is of extraordinary quality. It is characterized by the fact that it is **fully welded** and the aluminum profiles have a strong wall thickness. The goal frame consists of an oval profile 100 x 120 mm with a profile thickness of 2.5 mm. **Welded corner connectors** provide additional stability in the goal frame.

The ground frame, on the other hand, is made of a rectangular profile 80 x 60 x 3 mm. For the **safety of the athletes**, the edges of this profile are rounded. The net hoops used are made of round tubing with a diameter of 60 mm and a wall thickness of 3.5 mm. The projection of the sturdy aluminum youth goal is 0.80 m (top) and 2.00 m (bottom).

Note: Goal net not included.

High quality from the manufacturer

The **extremely stable youth goal** is manufactured in Germany according to the valid DIN 748. In addition, it is awarded with the **TÜV certificate** (TÜV - German Association for Technical Inspection).

The net suspension of this youth goal is made by a **milled net suspension**, which is deburred on both sides. This means that the goal net can be attached extremely firmly and securely in the youth goal. The suspension is also gentle on the net for **long durability of the goal net**. The net is attached to the ground frame using a pole system (not included). For this purpose, the sturdy youth goal already comes with welded eyelets.

Note: It is mandatory to **secure the aluminum youth goal against tipping**. For this purpose, the goal already has a device for ground anchoring (e.g. for ground nails/spirals).

Our aluminium youth goals with milled net suspension can additionally be equipped with the **ARENA net protection**. The ARENA net protection is used to close the milled net hole precisely and to protect the goal net against theft. It is fixed in place with a screw lock.

Youth goals and more in best quality

Buy stable youth goal made of aluminum directly from the manufacturer! At artec® you are guaranteed to find the right soccer goal: Whether a sturdy youth goal made of aluminum, soccer goals, training goals, recreational goals or even mini soccer goals - there is something for everyone!
