SKU: 22846

- 122 x 34 x 10 cm
- Color: White / White
- For competition, training and school sports

PRODUCT DESCRIPTION

TAKE-OFF BOARD AS TURNING BOARD, 2-FOLD USE

The **take-off board** as turning board is suitable for competition, training and school sports. Our take-off boards are very sure-footed due to a special technical bracing construction, thus reducing the risk of slipping. The take-off board is manufactured in Germany in the highest quality and has the following features:

- Dimension: 122 x 34 x 10 cm
- Suitable for use on both sides (white / white)
- Basic profile made of aluminum
- Coated with hardened and UV-resistant track coating
- With internal arresting device for bracing in the foundation trough
- The bracing as well as and removal of the bar is possible with a special key
- Easy assembly and handling
- Scope of delivery including insertion profile
