SKU: 15017

- Price per pair
- Made of aluminum
- Internal tensioning device
- Different surfaces available

PRODUCT DESCRIPTION

TENNIS POSTS IN ROUND PROFILE MADE OF ALUMINUM

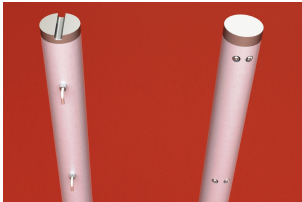

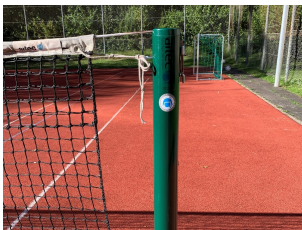

The **tennis posts** in round profile (83 mm diameter) are available with different finishes: **anodized (aluminum), white powder coated, green powder coated**. They are made of robust and weatherproof aluminum and also have the following features:

- Easy and quick net attachment with rod system
- Internal threaded spindle for net tensioning
- Removable crank included

Note: The price for the tennis posts in round profile is per pair!

In addition to the stationary tennis posts for mounting in ground sockets, artec® also offers mobile tennis systems for flexible use.
