PRODUCT DESCRIPTION

TURNING BOARD WITH TRIPLE USE FROM THE MANUFACTURER

The **turning board** with triple use is certified by World Athletics and suitable for competition. It can also be used for training and school sports and can also be used as a blanking board. Our take-off boards are very sure-footed due to a special technical bracing construction, thus reducing the risk of slipping. The turning board is manufactured in Germany to the highest quality and has the following features:

- Dimension: 122 x 34 x 10 cm
- Suitable for use on both sides (white / red)
- Basic profile made of aluminum
- Coated with hardened and UV-resistant raceway coating
- With internal arresting device for bracing in the foundation trough
- The bracing as well as and removal of the bar is possible with a special key
- Easy assembly and handling
- Scope of delivery includes insertion profile
