PRODUCT DESCRIPTION

VOLLEYBALL TRAINING FACILITY

The volleyball training facility is **made of aluminum** and is TÜV approved. The facility is manufactured as a **combination construction** and can be used not only for volleyball but also for badminton and tennis.

High quality volleyball facility from the manufacturer

The volleyball facility is made of high quality aluminum profiles (80 x 80 mm). The **tensioning and adjustment mechanism** is hidden on the post. The height adjustment is done manually.

For the training facility we also have the matching volleyball net in our program! Please also inform yourself about the technical details of our volleyball posts.
