PRODUCT DESCRIPTION

WEATHERPROOF TENNIS POSTS IN OVAL PROFILE

The **aluminum tennis posts** are available with different finishes: **anodized (aluminum), white powder coated, green powder coated**. They are made of oval aluminum profiles with dimensions of 100 x 120 mm and also have the following features:

- Quick net attachment via a rod system.
- Internal threaded spindle for net tensioning
- Removable crank included

Note: The price for the tennis posts in oval profile is per pair!

In addition to the stationary tennis posts for mounting in ground sockets, artec® also offers mobile tennis systems that are optimally suited for flexible use.
