- Safety net hooks

PRODUCT DESCRIPTION

YOUTH GOAL WITH ANTI-TILT DEVICE AND NET HOOKS

This **youth goal with anti-tilt device** -easytec- made of aluminum has a dimension of 5 x 2 m and is of the highest quality. The goal consists of thick-walled profiles made of aluminum, is **welded in one piece** and also has welded corner connectors. In combination with the high-quality welds, you get a very **robust youth goal**. The goal also has net hoops made of round tubing, resulting in the following projections: 0.80 m at the top and 1.50 m at the bottom.

The youth goal with anti-tilt device -easytec- meets the requirements of FIFA as well as DFB (German Football Association). It is manufactured according to the valid DIN 748 and is **TÜV-certified** (TÜV - German Association for Technical Inspection).

Note: Goal net not included.

Net suspension with safety net hooks

The safety net hooks used in the **easytec net suspension system** have a very flat design.

As a result, they protrude only slightly from the goal frame profile, guaranteeing the safety of the athletes. **Net installation is quick and easy**. The goal net is attached to the ground frame with the help of a tensioning rope or, alternatively, with the help of a rod system. For this purpose, the anti-tilt youth goal is equipped with welded eyelets.

Youth goal with anti-tilt device made of steel and aluminum

The anti-tipper is firmly screwed to the ground frame of the youth goal. It consists of an aluminum profile and has a **steel core filling**. Despite the additionally attached weight, the goal is movable on the pitch, as it is additionally equipped **with special wheels** (diameter 250 mm). These have excellent running properties, so that the youth goal can be pushed over uneven surfaces. The goal is movable according to the width.

Buy safe goals directly from the manufacturer

With us, you are guaranteed to find the perfect soccer goal for your purpose: whether mobile youth goals (optionally with anti-tip device), competition goals in the size 7.32 x 2.44 m, training soccer goals, recreational goals or even mini goals - there is something for everyone!
